

# ROME CHILDREN'S ACADEMY

Experts say that 80% of a child's brain develops before the age of three (3). Our Montessori based learning program for children from birth to five (5) years old helps to stimulate learning and position these children on a pathway to success in school throughout their lives. Rome Children's Academy is a non-profit, state licensed Learning Center utilizing the Montessori philosophy. The Academy is a quality childcare facility and subsidiary of Northwest Georgia Housing Authority. Established as a state licensed facility in 2001 under a partnership with the Montessori School of Rome, Rome Children's Academy was created to assist low income families in their efforts to become self-sufficient. Rome Children's Academy is open to the public.
